AOC: 2219P2

The screenshot shows a web page from ZIVE Computer. The main article is titled "Nový 22" LCD monitor od AOC". It features a large image of the AOC monitor and several paragraphs of text describing its features, such as its 22-inch TFT display, 1700x1600 resolution, and various connectivity options. The page also includes a navigation menu at the top, a search bar, and several sidebars with promotional content like "Forum", "Poradna", "Bazar", "Gigamania", "Speed test", "Computer", "MS TechNet", and "Práce v IT".
