AOC: Zwei neue Monitore im August

The screenshot shows a web browser window displaying the CHIP ONLINE website. The article is titled "AOC: Zwei neue Monitore im August" and is dated 23.07.2008, 11:31. The article text describes two new 22-inch monitors from AOC: the 2218Ph and the 2230Fm. The 2218Ph features a swivel stand and a foldable base, while the 2230Fm has a sleek black design and two USB ports. A sidebar on the right contains a sponsored advertisement for a Dell notebook, a "Top 10 der Woche" list, and "Sponsored Links".
